

# ECA Family Information Sessions

The Early Childhood Approach (ECA) approach supports children aged 0-6 years who have a disability or developmental delay and their parents, carers, and families.

Benevolent Society is the NDIS Partner in the Community delivering the ECA approach to Moreton Bay, Brisbane, Logan and Redlands.

As part of the approach, our multidisciplinary allied health team are delivering a series of informal developmental information sessions to families and invite you to attend.

For parents, carers, and families, the information sessions are an opportunity to:

- Better understand your child's support needs and development;
- Learn strategies and receive tools that will promote their development;
- Have your developmental questions answered by our team; and
- Develop a peer support network.

## **Please Note:**

There is no cost associated with these sessions but families will need to register to attend. For more details and to register, please follow the links (below) for the sessions that suit your availability.

Session topics change each school term. You can stay up to date with session details and find more information about ECEI on our Facebook page:

## **PREP-eration: Getting Ready for School**

### **Session Topics:**

Speech, Language and Literacy  
Skills for Learning  
Emotional Regulation  
Play and Playground Skills

## **“PREP-eration: Getting ready for School”:**

Commencing Prep is a major life stage not only for children but for their parents/carers too. This series of online parent/carer/family sessions are designed to cover topics involving school readiness, focusing on getting ready for going to Prep. Exciting topics include: speech and language, learning skills, emotional regulation, and holidays survival strategies. Each topic will be conducted twice – Tuesday evenings or Thursday mornings.
